

Our families and students tell us!

Ascension Lutheran School is providing our children with a very strong foundation for the future. Our two youngest children (1st and 4th grades) started Ascension Lutheran School this year and they have transformed into critical, independent thinkers. Thank goodness, Ascension Lutheran School has maintained the highest academic standards! Ascension's challenging curriculum, a top-notch fine arts program and warm, family-like atmosphere has been a blessing to us all. We thank GOD for leading us to Ascension Lutheran School!"

The Morris Family

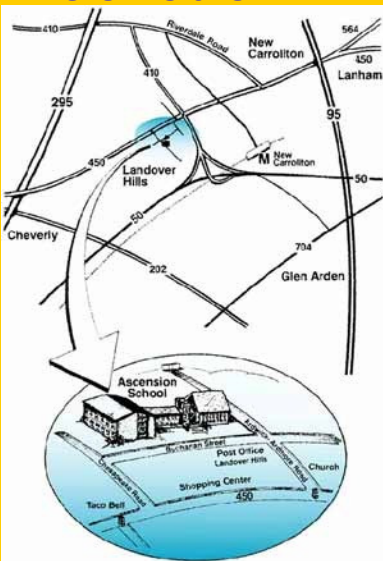

My time at Ascension gave me a strong start for my future education. The small class sizes allowed me to have a challenging educational experience in a warm, nurturing atmosphere. In a time of cuts in public school programs, I had art, music, PE, and religion classes while still getting a good foundation in the basics of reading, writing, and arithmetic. I recommend Ascension to any parents who want their children to have a strong foundation on which to build their futures."

*Dr. Erika Beard-Irvine, Ascension Class of 1983
(US Navy Pediatrician)*

Ascension is a great place to receive an education. The teachers really get to know you and care about you long after you've left their classrooms."

*Philip Parham, Ascension Class of 2001
(Harvard Class of 2009)*

Where we are:

WELCOME TO Ascension

Welcome to the Ascension Family! For more than fifty years, Ascension Lutheran School has been a place where children have gathered to receive a quality education which stresses high academic standards in a caring, Christ centered community. Ascension School views each child as God's special creation, blessed with many possibilities. To this end, we work together in a caring relationship to help each child achieve success.

Our curriculum meets all requirements of both public and Christian education. The teachers instruct the children in the Christian faith and life skills. Ascension is fully accredited by the National Lutheran School Accreditation and Middle States Association of Colleges and Schools. Ascension Lutheran School is also an Approved State of Maryland School, which allows middle school students to receive high school credit for Spanish 1 and Algebra 1 courses taken here.

Since its founding in 1952, Ascension Lutheran School has enjoyed an excellent reputation in the community for both its religious and academic programs. Many Ascension graduates have gone on to distinguish themselves in high academic and workplace settings. As a further tribute to the school's excellence, many former students now have their own children enrolled in our school.
